

Product review video

- ▶ Industry expert Moritz Janisch presents your product
- ▶ Reach the perfect audience of filmmakers
- ▶ Around 50.000 viewers usually watch your product
- ▶ Use the review video for all your marketing activities

Cost for production & publishing for a product review / tutorial

2750,- € (EURO)

Please do not try to negotiate the price. The quality we deliver can't be produced cheaper. Product value and affiliate programs do not lower the rate as well.

Our offer

- ▶ We produce a 5 minutes long video review for you
- 👤 The video reaches the perfect audience of 'filmmakers'
- 👍 The video presents the product in a positive way
- ★ We put your link below the video (unlimited number of links)
- ☑ We integrate your talking points and highlights
- 👁 We show the audience how to use your product
- 🎯 We publish the video on our YouTube channel & other social media
- ★ Presenting your product through our well-known brand
- ▶ You can use the video for all your marketing activities and also upload the video to your own channel as well

This is still an independent review, therefore we will not create a detailed script for approval, and we will also not make changes to the final video, unless we displayed/explained something completely wrong.

Numbers

YouTube views per video about 50.000 viewers + views on the other social media platforms.

270.000 subscribers

26.000 fans

12.000 follower

2.000 follower

Collaboration

✓ Send us your product

And talking points, general product information, everything that we need to know.

🏢 Process down-payment

We require 50% down-payment upon production start. Payment through bank transfer.

🎥 We produce a high-quality video review

Production time is 4 weeks (can be faster, if needed, please ask about it).

📈 Publishing your video

We publish your video on YouTube and all our other social media platforms. You can also use the video for all your marketing activities
